

# Vote NO *again* to HIGHER TAXES FOR 26 YEARS

**Don't be fooled.  
The Trustees CAN build new fire stations  
without raising our taxes.**

The Trustees can use existing taxes to secure financing and start building immediately.

*There's no need for the Trustees to ask residents to raise their taxes and pass an \$8 million tax levy that lasts 26 years.*

**Last year, 65% said NO to new taxes.  
Not much has changed.  
The stations are still excessive in size and cost.**

4x larger than our existing stations and costs far exceed new stations recently built in similar Ohio townships.

	2020 New Plan		2019 Failed Plan	
	Sq. Ft.	Cost <sup>1</sup>	Sq. Ft.	Cost
Both stations				
<b>TOTAL</b>	<b>35,147</b>	<b>\$13.75 million</b>	36,560	\$13.9 million

**Voting No ensures ECONOMICAL new fire stations.**
